

Profiles in Business

Since Derby Publishing’s purchase of *The Business Journal* five years ago, businesspeople have asked us to include stories about their companies in our publication. As journalists, we always had to reply, “We can’t do that unless you have a newsworthy item we can report as news.”

Many of those customers and businesses were also asking us to design marketing materials or brochures and write copy to help them promote their company and services. Our production department was always too busy creating our magazine. We decided to combine the two services, great design and editorial published in a magazine format. *Profiles in Business* was created!

Profiles in Business gives insight into the working lives of the people who make up our region, because every business has a unique story to tell. *Profiles in Business* is a combination of your company’s editorial story and photography showcasing your products, services, history and people who make it happen. We look forward to delivering your story directly to the desks of the business decision-makers in Northeast Tennessee and Southwest Virginia.
